Dear Mr. Dixie,

You just made a difference in a child's life!

As of October 2015, over 3,400 youth were served a healthy snack, provided help with their homework, and had staff that engaged them through exercise or a community service project—inside or outside of their Club.

The in-kind donation of hygiene products, body wash, tooth paste, body spray, and deodorant was appreciated. Please see the attached form for additional descriptions.

Did you know that 57% of the Club Alumni, when surveyed, said the Boys & Girl Club literally saved their lives? That is what your gift is doing....saving the lives of thousands of youth that are served each year at our Clubs.

Today, John, Lavonna, Angel and the other members say thank you for providing the resources so they have a safe place to go after school and in the summer.

In service to youth,

Joy Lehmann  
Resource Development Director
